

## LB-13-H-S-07-B-C-3-F

### Light Breeze – Rack Mount Power Distribution Unit (PDU)

#### Product Overview

The LightBreeze LB-13-H-S-07-B-C-3-F is a reliable and durable basic Power Distribution Unit designed for efficient power distribution in networking, server, and electrical installations. Featuring a heavy-duty power switch, fuse protection, and high-quality wiring, it ensures safe and stable power delivery.

#### Key Features

- ✓ 13A rated current capacity
- ✓ 7 x C13 output sockets
- ✓ Built-in fuse protection against overload conditions
- ✓ Integrated power ON/OFF switch
- ✓ Heavy-duty 2.5 RM copper cable
- ✓ 2-meter extension cable for flexible installation
- ✓ Horizontal rack-mount design
- ✓ Durable construction for continuous operation
- ✓ Suitable for networking and server environments

#### Safety Features

- Fuse-based overload protection
- High-quality insulated cable
- Robust socket construction
- Reliable power switching mechanism

### Technical Specifications

Parameter	Specification
Product Type	Rack Mount PDU
Model	LB-13-H-S-07-B-C-3-F
Mounting Type	19-Inch Rack Mount
Number of ports	7
Plug Type	C13 socket
Fuse Protection	Yes
Socket Protection	Secre Locking Outlet System
Cable Type	2.5 rm heavy duty cable
Cable Lenght	2 meter
Power Switch	yes
Body Materials	Aluminium
Color	Black
Internnal Contact	Copper
Application	Server Racks, Data Centers, Network Cabinets, IT Equipment

### Applications

- Server Racks
- Data Centers
- Network Cabinets
- Telecom Equipment
- Industrial Control Systems
- IT Infrastructure

**LIGHT BREEZE PDU**  
 MODEL: LB-13-H-S-07-B-C-3-F

**FRONT VIEW**

Power Switch (ON/OFF)

7 x C13 Output Sockets

Mounting Ears (Horizontal)

**REAR VIEW**

Aluminum Body

Power Cable (2.5 RM, 2 Meter)

**SIDE VIEW**

**FEATURES**

7 x C13 Output Sockets

Fuse Protection

Power Switch

2 Meter Extension Cable

2.5 RM Cable Size

Horizontal Rack Mount

Safe & Reliable Power Distribution

13A Plug (RC)

**SPECIFICATIONS**

Brand	LightBreeze
Model	LB-13-H-S-07-B-C-3-F
Rated Current (RC)	13 Amp
Mount Type	Horizontal
Feature Type	Basic
Output Ways	7
Section Type	Single
Socket Type	C13
Protection	Fuse Protection
Power Switch	Yes
Cable Length	2 Meter
Cable Size	2.5 RM
Rated Voltage	250V ~ 50/60Hz
Material	Aluminum Body
Color	Black

**PLUG TYPE**

13A Plug (RC)
